## **PREMIUM ACCOUNTING**

### **Payment Plans**

Builders Mutual offers the following payment plans; policyholders may change plans at renewal only:

#### **Monthly Reporting**

Policyholders who are on the monthly self-reporting payment plan will receive a Monthly Self-Reporting Worksheet. This worksheet provides an opportunity for maximum control of cash flow, and projects a more realistic final audit as a result of **accurate** monthly reporting. All policyholders must submit the Monthly Self-Reporting Worksheet together with the appropriate premium regardless of account size. Instructions to calculate premium are also included on each Worksheet.

To complete the Worksheet(s), enter GROSS payroll by classification(s) for the period during the month coverage was in effect and compute monthly premium following the instructions on the report(s). The completed report(s) should be returned with the appropriate premium payment to Builders Mutual no later than the 20<sup>th</sup> of the month. Checks should be made payable to Builders Mutual.

For complete directions to aid in filling out your Monthly Self-Reporting Worksheet, visit [www.buildersmutual.com](http://www.buildersmutual.com) and click on Workers' Comp Worksheet Instructions under Hot Topics.

#### **Monthly Bill 10-Pay**

For those whose annual premium is greater than \$1,000, have steady payroll and want a fixed payment plan. This plan allows for 20% of the total amount (premium + expense constant) to be due at application and we will bill for the remaining 9 installments.

#### **4-Pay, Quarterly**

For those whose annual premium is greater than \$1,000. This plan allows for 25% of the total amount (premium + expense constant) to be due at application. We will bill for the remaining 3 installments.

#### **2-Pay, Semi-Annual**

For those whose annual premium is greater than \$1,000. This plan allows for %50 of the total amount (premium + expense constant) to be due at application. We will bill for the remaining installment.

#### **Annual**

Policies that are less than \$1,000 in annual premium are required to be on the annual pay plan. In addition, policyholders who wish to pay one annual premium may select this plan. No deposit is required.

### **Credit Card Payments**

Credit cards may be used to pay monthly pay plan installments, monthly self-reporting worksheet premium, audit balances, and collections. To make a payment via credit card, simply call 1-800-809-4859 and ask for ext.375.

### **Returned Checks**

All checks that are returned for insufficient funds or any other reasons will subject the policyholder to a \$25.00 charge per check.

**Renewals**

The policy will renew on the renewal date listed on the declaration page. However, policies that incur losses are subject to review by BMIC's Underwriting department for continued acceptability.

**Cancellation**

Should a policyholder request the cancellation of its workers' compensation policy prior to its renewal date, there will be a short rate penalty assessed according to the National Council on Compensation Insurance (NCCI) table. Please contact your agent for more details.

**Termination - Policyholder's Request**

Requests for termination of coverage must be received in writing by BMIC and must include:

- Signature of an Owner or Officer
- Reason for Termination

**Termination - Duplicate Coverage**

In the event that a policyholder replaces coverage with a new carrier, the policyholder must send proof of coverage (letter of assumption or copy of new policy) in order to cancel the BMIC policy on the effective date of the new coverage.

## PREMIUM AUDIT

The premium shown on your policy is an estimate based on your business's classifications and premium basis at the time your policy is issued. An audit will be conducted at the conclusion of the policy period to determine the "final" audited premium using the actual premium basis and classifications that apply to your business covered by this policy. You may be contacted by a BMIC representative to conduct a physical onsite audit of your financial records or you may be requested to voluntarily submit information to BMIC to determine the "final" premium. WorkSafe policyholders with policies less than \$5,000 may qualify for voluntary audits. Premium Audit staff will determine accounts that qualify based on the previous year's audit and the current year's monthly reporting forms, and will mail forms to qualified policyholders. Your failure to cooperate with any audit request may result in BMIC estimating your final premium.

### Variables affecting your audit

#### *Classifications*

If at any time you have questions about properly classifying your operations, please contact Premium Audit at 800-809-4859, ext. 478.

#### *Subcontractors*

Subcontractors can represent an additional exposure to loss for you and the insurance company. Policyholders are required to pay premiums for all uninsured subcontractors, whether or not they have fewer than three employees. The following information outlines premium determination for subcontractors.

#### *Workers' Comp*

Policyholders will not be charged for the payroll of subcontractors if they provide Certificates of Insurance for all subcontractors to Builders Mutual. Without a Certificate of Insurance the amount paid to the subcontractors will be treated as remuneration and a premium charge will be made. This requirement includes subcontractors who do not have employees.

Subcontractor waivers are *not* accepted.

### Your records

As a business owner, you know the importance of keeping accurate records. After the expiration of each policy period, a Builders Mutual auditor will contact you for an appointment. Completing the audit helps to ensure you are paying the right price for your Builders Mutual insurance coverage. Remember, records that are properly maintained allow for a fair audit to be completed.

When it's time for your annual audit, the following records will be required by your auditor:

- Cash disbursement journal showing monthly totals for:
  - (1) materials
  - (2) subcontractors
  - (3) casual labor
- Payroll journal and summary showing:
  - (1) monthly and quarterly totals
  - (2) separate totals by type of work
  - (3) separate overtime records
  - (4) check register
  - (5) federal quarterly reports and NC employer's quarterly tax & wage report
  - (6) W2s and W3s, 1099s and 1096s
- Also necessary for payroll are individual earning records showing:
  - (1) type of work performed
  - (2) gross payroll by month and quarter
  - (3) overtime by month and quarter.

Basis of premium is the entire remuneration, cash or non-cash. This can include overtime, bonuses, vacation pay, commissions, and sick pay. Exceptions to remuneration include the premium portion of overtime, tips, severance pay, and payment to group insurance or pension plans.

## CLAIMS

Our claims department is known for providing exceptional customer service. Once a claim is filed, one adjuster is assigned to the account as the single point of contact. That adjuster handles the claim from beginning to end through the entire claims experience. The BMIC claims department is thorough and detailed to ensure you, your employees and your business are taken care of from the time the claim is reported to the time it is closed.

### Reporting Claims

To report a claim, call 800-809-4862 or contact your agent.

### Drug testing

BMIC maintains a policy requiring post-injury drug and alcohol testing arising out of any alleged work-related accident. In order to receive workers' compensation coverage, **BMIC expects each employer to notify its employees of this Policy in order that they may be potentially eligible to receive workers' compensation benefits.**

Enclosed is a Notice of this Policy and an Acknowledgment Form which should be made available to all employees. In the event of an alleged on-the-job injury arising out of an alleged work-related accident, the employee will be tested at the time medical treatment is first administered. Pursuant to our policy, BMIC shall pay the cost of this Drug and Alcohol Test as a reasonable expense incurred at BMIC's request.

If the provider refuses to administer a drug and alcohol test, contact the Claims department at 1-800-809-4862 while the injured person is at the medical facility. This will enable the Claims department to contact the medical provider to make arrangements to have a drug and alcohol test administered.

## **FORMS AND THEIR PURPOSE**
