PREMIUM ACCOUNTING

Payment Plans

Builders Mutual offers the following payment plans (policyholders may change plans at renewal only):

Monthly Self-Reporting

With our convenient system of monthly reporting, your monthly premium is based on your actual payroll for the previous month. Policyholders will receive a monthly worksheet. Enter GROSS payroll by classification(s) for the period during the month coverage was in effect. If you did not have payroll during a month, mark "NO PAYROLL" on the report. Completed reports should be submitted with the appropriate premium payment to Builders Mutual by the 20th of each month.

- Online Monthly Self-Reporting is available. Login, enter your payroll and the system will calculate the amount due. You must make an online payment to complete the process.
- Paper worksheets can be mailed to Builders Mutual, PO Box 900017, Raleigh, NC 27675-00017 or emailed to: premiumaccounting@bmico.com.

Monthly Bill 10-Pay

For those whose annual premium is greater than \$1,500, have steady payroll and want a fixed payment plan. This plan allows for 20% of the total amount (premium + expense constant) to be due at application and we will bill for the remaining 9 installments.

4-Pay, Quarterly

For those whose annual premium is greater than \$1,500. This plan allows for 25% of the total amount (premium + expense constant) to be due at application. We will bill for the remaining 3 installments.

2-Pay, Semi-Annual

For those whose annual premium is greater than \$1,500. This plan allows for %50 of the total amount (premium + expense constant) to be due at application. We will bill for the remaining installment.

Annual

Policies that are less than \$1,500 in annual premium are required to be on the annual pay plan. In addition, policyholders who wish to pay one annual premium may select this plan. No deposit is required.

Returned Checks or Electronic Payments

All checks and electronic payments that are returned for insufficient funds or any other reasons will subject the policyholder to a \$25.00 charge per payment.

Renewals

The policy will renew on the renewal date listed on the declaration page. However, policies that incur losses are subject to review by the Underwriting department for continued acceptability.

Cancellation

Cancellation of insurance coverage may result because of the following:

- Non-Payment of premium, including NSF returned check, failure to submit monthly self-audit worksheets, failure to submit to or pay year-end audit, failure to pay deposit balance
- Failure to meet Risk Management or Underwriting requirements and standards
- Determination that continuation would jeopardize solvency or place insurer in violation of insurance laws
- Violation of policy terms or conditions
- Material misrepresentation on the application
- Substantial change in the risk assumed if such change should not have been foreseen by the insurer or contemplated in the rate
- Substantial breach of contractual duties, warranties, or conditions
- If the insurer loses its reinsurance for the risk

Please note that, should a policyholder request the cancellation of its workers' compensation policy prior to the renewal date, there will be a short rate penalty assessed according to the National Council on Compensation Insurance (NCCI) table. Please contact your agent for more details.

Termination - Policyholder's Request

Requests for termination of coverage must be received in writing and must include:

- Signature of an Owner or Officer
- Reason for Termination

Termination - Duplicate Coverage

In the event that a policyholder replaces coverage with a new carrier, the policyholder must send proof of coverage (letter of assumption or copy of new policy) in order to cancel the policy on the effective date of the new coverage.

PREMIUM AUDIT

The premium shown on your policy is an estimate based on your business's classifications and premium basis at the time your policy is issued. An audit* will be conducted at the conclusion of the policy period to determine the "final" audited premium using the actual premium basis and classifications that apply to your business covered by this policy. You may be contacted by a representative to conduct a physical onsite audit of your financial records or you may be requested to submit information online to determine the "final" premium. Completing the audit helps to ensure you are paying the right price for your Builders Mutual insurance coverage.

**The completion of an annual audit is required as a condition of your workers' compensation policy. Failure to comply with the annual audit process will result in Builders Mutual estimating your annual premium and applying an audit noncompliance penalty of up to two times the estimated annual premium. This may also result in the cancellation of your workers' compensation policy.*

Variables affecting your audit

Classifications

If at any time you have questions about properly classifying your operations, please contact us at (800) 809-4859. General audit information is available at buildersmutual.com/audit.

Subcontractors

Subcontractors can represent an additional exposure to loss for you and the insurance company. Policyholders are required to pay premiums for all uninsured subcontractors, whether or not they have fewer than three employees. The following information outlines premium determination for subcontractors.

Workers' Compensation

Policyholders will not be charged for the payroll of subcontractors if they provide Certificates of Insurance for subcontractors to Builders Mutual at the time of the audit. Without a Certificate of Insurance the amount paid to the subcontractors will be treated as remuneration and a premium charge will be made. This requirement includes subcontractors who do not have employees.

Subcontractor waivers are **not** accepted.

Your records

As a business owner, you know the importance of keeping accurate records. After the expiration of each policy period, a Builders Mutual auditor will contact you for an appointment. Remember, records that are properly maintained allow for a fair audit to be completed.

When it's time for your annual audit, the following records will be required by your auditor:

- Cash disbursement journal showing monthly totals for:
 - (1) materials
 - (2) subcontractors
 - (3) cash payments to individuals or day laborers not included in your payroll register
- Payroll journal and summary showing:
 - (1) monthly and quarterly totals
 - (2) separate totals by type of work
 - (3) separate overtime records
 - (4) check register
 - (5) quarterly reports: 941 (federal), ESC (state)
 - (6) W2s and W3s, 1099s and 1096s
- Also necessary for payroll are individual earning records showing:
 - (1) type of work performed
 - (2) gross payroll by month and quarter
 - (3) overtime by month and quarter.

Basis of premium is the entire remuneration, cash or non-cash. This can include overtime, bonuses, vacation pay, commissions, and sick pay. Exceptions to remuneration include the premium portion of overtime, tips, severance pay, and payment to group insurance or pension plans.

Drug testing

Builders Mutual maintains a policy requiring post-injury drug and alcohol testing arising out of any alleged work-related accident. In order to receive workers' compensation coverage, **Builders Mutual expects each employer to notify its employees of this Policy in order that they may be potentially eligible to receive workers' compensation benefits.**

Enclosed is a Notice of this Policy and an Acknowledgment Form which should be made available to all employees. In the event of an alleged on-the-job injury arising out of an alleged work-related accident, the employee will be tested at the time medical treatment is first administered. Pursuant to our policy, Builders Mutual shall pay the cost of this Drug and Alcohol Test as a reasonable expense incurred at our request.

If the provider refuses to administer a drug and alcohol test, contact the Claims department at (800) 809-4861 while the injured person is at the medical facility. This will enable the Claims department to contact the medical provider to make arrangements to have a drug and alcohol test administered.

FORMS AND THEIR PURPOSE

Sole Proprietors/Partners – Sole proprietors/partners are excluded from a workers' comp policy but may elect to be covered by notification to BMIC via either written communication or on the ACORD 130 application.

The following information includes an outline of forms that are necessary to administer or change a policyholder's coverage.

Compliance Poster (Form 2) - The South Carolina Workers' Compensation Act requires this notice be posted in a conspicuous location where **all** employees can see it.

Report of Injury (Form 12-A) – The law requires you as the employer to report any injury within 10 business days of occurrence and knowledge. Statement of Earnings of Injured Employee (Form 20) – When reporting an accident that requires the injured employee to be out of work for more than seven days, this form must be completed. A copy of the completed form must be provided to the injured employee within 30 days of the date compensation begins. NOTICE

Post Accident Drug/Alcohol Policy

Builders Mutual Insurance Company implemented a post accident drug/alcohol testing policy. As a policyholder of Builders Mutual, you are required to comply with this policy. Implementation of a drug and alcohol testing program can help protect your financial interest, your employees and your job sites.

BMIC's Drug/Alcohol Testing Policy will first and foremost prevent individuals with a drug or alcohol dependency from abusing the workers' compensation system and using your dollars to sustain an illegal habit. Individuals with drug and alcohol dependency also pose a threat to fellow employees, supervisors, and the general public as their actions can cause harm to those around them. Lastly, substance abuse can lead to criminal conduct to finance the habit.

After each work related injury, a drug and alcohol test should be performed on the injured employee and all other employees whose conduct could have contributed to the accident if there is a reasonable possibility that drug and/or alcohol use by the injured employee and/or co-employees could have contributed to the injury or illness. The test will be performed at the time medical treatment is first administered and the cost of the test will be covered by Builders Mutual as a reasonable claims expense.

If the treating medical facility refuses to administer a drug and alcohol test, contact the Claims department at 1-800-809-4862 while the injured is still at the facility. This will enable the Claims department to contact the provider to make arrangements to have a drug and alcohol test administered.

If you have any questions regarding this policy, please contact the Claims department at 1-800-809-4861.

BMIC Drug Testing Acknowledgment

I have read and understand the Policy of Builders Mutual Insurance Company that all employees of policyholders shall be tested for drugs or alcohol if the employee is involved in an alleged work-related accident which might give rise to the filing of a workers' compensation claim. I am an employee of a policyholder and I consent and agree to be tested for the use of alcohol, drugs, or illegal, non-prescribed controlled substances in the event of an alleged work-related accident. I understand that if I do not agree to be tested or submit to any procedure to detect the use of alcohol, drugs, or illegal, non-prescribed substances this will be deemed an admission of impairment by such substances and I understand that when applicable by state law, my workers' compensation claim may be denied or benefits reduced. I understand that if the results of the test are positive for drugs or alcohol, my claim for workers' compensation benefits may be denied.

I hereby acknowledge receipt of this Policy concerning drug and alcohol testing.

AVISO
Reglamento de Examen de Drogas y Alcohol

Builders Mutual, su compañía de seguros, implementó una regla que requiere que todos los empleados lesionados en el trabajo se hagan un examen de drogas y alcohol. Como un asegurado por Builders Mutual, usted está obligado a cumplir con esta reglamentación. El programa de examen de drogas y alcohol puede proteger sus intereses financieros, sus empleados, y su lugar de trabajo.

Nuestra política de examen de drogas y alcohol evitará el abuso del sistema de compensación laboral por parte de empleados con dependencia a drogas o alcohol. Las personas con dependencia a drogas y alcohol también pueden perjudicar el bienestar de otros empleados, supervisores, y del público general, además de que sus acciones pueden causar daño a todos los que le rodean. El abuso de sustancias ilegales puede resultar en actos criminales con el propósito de mantener una adicción.

Después de cada lesión relacionada con el trabajo, se debe realizar un examen de drogas y/o alcohol al empleado lesionado y a todos los empleados cuyo comportamiento pudo haber afectado el accidente, si existe la posibilidad del uso de drogas y/o alcohol por parte del empleado lesionado y/o los colaboradores pudo haber contribuido a la lesión o enfermedad. Este examen debe ser hecho en la primera consulta médica sin ningún costo para el empleado. Builders Mutual pagará por el examen.

Si por alguna razón la clínica se niega a hacer el examen, contacte nuestro departamento de reclamos mientras que su empleado todavía está en la facilidad médica. Nosotros tendremos la oportunidad de contactar la clínica directamente y hacer arreglos para que se haga el examen.

Si usted tiene alguna pregunta acerca de esta reglamentación, por favor contactenos al departamento de reclamos al 1-800-809-4861.

Builders Mutual Insurance Company
Reconocimiento del examen de drogas y alcohol

He leído la política del examen de drogas y alcohol de la compañía de seguros Builders Mutual. Entiendo que todas las personas aseguradas se le harán exámenes de drogas y alcohol si tienen un accidente en el trabajo y que potencialmente resultaría en un reclamo bajo la póliza de compensación laboral. Soy un empleado bajo esta póliza y doy consentimiento/autorización para que me hagan pruebas de drogas y alcohol en caso de un reclamo de accidente bajo esta póliza. Entiendo que si me niego a tomar el examen para detectar estas sustancias, automáticamente, estaría admitiendo que he consumido drogas o alcohol. De acuerdo con la ley de este estado, esto podría resultar en el rechazo o la reducción de los beneficios del reclamo. También, entiendo que si los resultados de estas pruebas son positivos, el reclamo podría ser anulado.

Confirmando que he recibido esta información acerca del reglamento de exámenes de drogas y alcohol.
